

# Saskatchewan Man Wins Wheat Title

Chris Morack of Dickson, Alta. Named Rye King at Chicago

CHICAGO, Nov. 27.—(CP)—R. P. Robbins of Shawville, Sask., today won the title of rye king at the annual grain show of the International Livestock Exposition. He won the crown with a sample of Plow rye which came from his farm near the world rye championship at the Royal Winter Fair. His entry here was judged the best of 15 entries.

John T. Ellis of Hilly Hill, Alta., was judged barley king. The reserve championship went to Louis Wendell of Sask., won the title of oats king.

Runners-up in the rye contest was Harold Bunch of the farm near Hilly Hill, Sask. Albert Kessel of Hesterton, Sask., the 1948 rye king, was third.

**SIXTH TIME** Also decided today the corn championship, won the second straight year by Charles M. Fischer of Shelbyville, Ind.

Robbins won in wheat marks the first time since 1921 when Herman Treile of Wembley, Ont., won the wheat crown—that an exhibitor of Durham wheat has been named wheat king.

It is only the second time the grain show started in 1948 when the winner of the competition for hard spring wheat has not been judged when the grand champion.

The reserve championship award in wheat went to Mary Ann of Caberton, O., one of six finalists, she topped her class in the soft red winter class.

Canadians also took top honors in eight sections of potatoes in competition during the week-end at the International Hay and Grain show here.

Mrs. Amy Kelsey of Erickson, B.C., placed first among 23 competitors in the hard red spring wheat section with her entry of Howard wheat.

**FIRST STEP** The victory is the first step in the way towards winning the wheat crown which she took home last year and in 1946.

W. T. Brance of Edmonton, Ont., won two championships—field peas and small yellow peas. The field peas were won last year by J. Ducker of Pomfret, B.C.

Hay Girls of Flakenburg, Ont., placed first in the competition for large yellow peas. They were named champion in the field peas competition.

**ELOVER WINNER** Another Ontario competitor, Howard Holdaway of Blenheim, was first in the yellow corn competition for Region One, which covers Canada and all of the U.S. border states.

Tom Corlett of Clairmont, Alta., won the first place for Alaska clover seed. Second place went to George Lynn of Oriskany, Alta., and third to another Oriskany, L. Kibberville of Sundre.

The giant blue sunflower competition, ranked with the top competition, opened an eight-day run Saturday with a glittering array of prize animals, men, and wool, as well as grain. Held in conjunction with the hay and grain show is the International Livestock Exposition.

**MILLIONS IN ANIMALS** Exhibits were valued at more than \$500,000, all under a single roof. They included 11,000 cattle, sheep, swine and horses.

Agriculture minister J. G. Gardiner of Canada was a visitor. He inspected Canadian exhibits before addressing the American Society of Animal Production.

The wheat king Chris Morack chose from the champions of the six wheat classes—hard red winter, soft red winter, hard red spring, durum, white winter and white spring.

The division which Mrs. Kelsey won has taken the crown 26 of the 27 times it has been awarded at this exposition. The sole exception was the champion durum exhibitor and this year—thanks to Roberto—Canada has the durum contest set up, too.

Robbins was first in durum but the next six places all went to North Dakota farmers.

**CHANCE FOR HONOR** Another wheat-crown triumph for the Saskatchewan man.

The first large shipment of purebred bulls raised in the Edmonton district left the United States left the Exhibition Association yards Saturday.

The bulls, 24 by Herefords, are on their way to the state farm of H. H. Parker, Ogden, Utah. They were bought earlier this year by Mr. Parker and arrangements were made for their shipment to the Edmonton Exhibition Association.

Although they aren't travelling first class, the bulls are getting a discriminating treatment as they southbound tourist over head.

**PAPERS CHECKED** Over the last two weeks they had their papers checked and documented and even had blood tests taken for Bang's disease.

Right head of the cattle are from the farm of O. A. Kesteven, near Hilly Hill, Sask., and the other seven from Mike Bink, Vermilion.

**ACHING BACK** Who suffers with backache or aching back? Many find quick relief by taking a few drops of the new medicine for backache and aches in the joints.

**DR. CHASE'S** KIDNEY-VERBON makes you feel like a new man. It's the best medicine for backache and aches in the joints.

# Storm Takes 225 Lives Causes vast Damage

(Continued from Page 1)

harvest of television aerials. Boat owners took extra heavy losses because since the 1928 hurricane, boats have been swept right into Lake Ontario during 12 hours of buffeting by the raging winds.

Some 200 persons were left homeless as cottages were smashed and flooded. At least 200 were injured and many were killed.

A call for aid to struggling fishermen was quickly answered and a fishing fleet was organized to hold dykes against the swelling waves.

Others of the storm's victims were killed in traffic accidents. One of the workers, 21-year-old William Ness, was unaccounted for late Sunday night. He was last seen at Van Wagner's Beach early Sunday morning.

# Fires Claim Three Lives In Winnipeg

WINNIPEG, Nov. 27.—(CP)—Three week-end fires in Winnipeg claimed three lives.

Two small boys died in the burning home in suburban Fort Rouge. A night watchman was suffocated in a factory blaze in south-west Winnipeg.

Fire broke out again early today in the National Text and Tapping Company building. A two-alarm blaze completed putting of the premises begun Saturday night.

George Miller, 66, was found overcome by smoke on the second floor of the building 15 hours after flames were called to the blaze. Efforts to revive him were unsuccessful.

**DAMAGE ESTIMATED** District Chief A. G. Macmillan estimated damage to building and contents at \$250,000 after Saturday night's fire and preliminary figures for this morning's outbreak ranged from \$100,000 to \$200,000.

Robert William Heywood, six, and Daniel Gordon Heywood, four, were trapped by flames. Persons who attempted to rescue them were driven back by terrific heat and smoke.

Police held the boy's parents in custody for an inquest test for culpability. Detective Inspector David Nicholson said the children were alone in the house when the fire broke out.

In a third week-end blaze, guests were evacuated Sunday morning from the 61-bed downtown Proctor hotel. A two-alarm fire caused \$50,000 damage in the hotel, built in 1867.

A London dairy firm was fined \$45 for selling milk "unsafe for human consumption" after a witness said he found a decomposed mouse floating on the cream.

## New Train Despatcher Is Posted Here

Officials of Canadian Pacific Railway here today announced the appointment of T. B. Weir, Moose Jaw, to be chief train despatcher for Edmonton. Weir replaces J. F. Johnson who will become chief despatcher at Lethbridge on Dec. 1.

Mr. Semmens, consulting architect from Winnipeg has arrived in Edmonton to "look over" the new modern Victoria Composite high school.

Mr. Semmens made the special trip because he thought he would "find a great deal of interest" by visiting the school.

This afternoon he will be taken on a tour of the building by M. C. Dewar, city architect and designer of the school.

Former minister of public works with the Ontario-Hudson government, Colin Campbell, Toronto, consulting engineer, is an Edmonton visitor. He is visiting his Ontario post. Mr. Campbell was at one time the youngest member of the House of Commons, representing Frontenac-Acadian.

Sherbrooke Community League will hold its regular weekly meeting Wednesday at 8:00 p.m. in the community hall, camp 500. Troops will go toward the maintenance of the hall and the skating rink.

Dr. G. F. Wherrett, general secretary of the Dominion Tuberculosis Association, is in Edmonton to further the sale of Christmas seals here. While in the city he will confer with Dr. H. H. Stephenson, director of the local tuberculosis clinic. He leaves tomorrow for the East.

Vandals are blamed for smashing a 2000 plate glass window in a South Side store Saturday night. Fred Sambock, owner of the Corner Store, 920-96 street, told police he found the window smashed Sunday morning. A large rock was found inside the store. Nothing was stolen.

## Five Bodies Still Sought

An army officer and an RCMP constable were conducting a lonely search today amid wreckage of the Canoe River train disaster for bodies of five of 59 victims.

Dr. Max Canton, chief provincial coroner said Saturday it was doubtful if any of the five victims were found because of the explosion and fire that followed the train crash. Authorities at University hospital said only one soldier remains on the dangerously ill list. Remains of 41 injured survivors still in hospital are all improving.

Single Edmonton funeral for a crash victim was held here at 2 p.m.

## Dying Congress May Balk at Big Program

WASHINGTON, Nov. 27.—(AP)—The 81st Congress returns today for a short session and it was pretty evident the lawmakers were not in the mood to do all the things President Truman wants them to do.

Republicans generally haven't left much doubt that they would prefer to leave everything but emergency legislation until Jan. 3, when the 82nd Congress begins with increased Republican strength takes over.

Many of them subscribed to the program of Senator Robert Taft (Rep. O.) who, when asked what he thought the expiring Congress should do, quipped: "Adjourn."

The program Truman wants is pretty well known. It includes a \$400,000,000 excess profits tax on corporations, rent control extension, steelhold for Alaska and Hawaii, relief funds for drought-stricken Yugoslavia and probably \$100,000,000 or more in new military money.

The general expectation is that the session will last at least three

**LAW-BREAKING** antics of Jaywalker No. 1 in Edmonton Safety Council's Pedestrian Protection Week were nipped in bud today by Mrs. Lynn Ramage, 10668-93 street. Mrs. Ramage "pinched" Jack Forman, well-known Edmonton businessman, when he saw him crossing Jasper avenue, near 102 street, against red light. Mrs. Ramage collected \$5 prize awarded by council. Council will award \$15 in prizes every day this week to anyone who identifies Jaywalkers.

## Three Drivers Charged In Week-End Accidents

Three Edmonton motorists were arrested on dangerous driving charges and two hit-and-run drivers are being sought by city police in the aftermath of a series of minor traffic accidents in the city over the week-end.

Ronald L. Wright, 1083-128 street, was arrested at midnight Saturday after his car skidded 52 feet as he was driving on 124 street.

Wright pleaded guilty before Magistrate S. C. Main Monday morning and was fined \$40 and costs.

Car jumped the west curb, went through a spruce hedge, crashed the front fender of home of James Mackell, 1128-124 street, and came to rest against a building under construction—65 feet from the start of the skid.

Wright told police he applied his brakes suddenly when another vehicle pulled in front of him and he lost control of his car.

**TRUCK WITH CAR.** Also arrested on a dangerous driving charge was Mike Kutney, 1235-47 street. After the truck he was driving collided with a car driven by Fred Delaney, 1189-48 street, at 115 avenue at 2:30 a.m. Sunday.

Kutney appeared before Magistrate Main, pleaded guilty, and was fined \$50 and costs. His driver's license was also suspended for 60 days.

A rude motorist is being sought by police after he allegedly added insult to the injury of damaging the trunk of a car driven by Cortney Bradbury, 1068-70 avenue.

Bradbury told police he was handed some "naughty remarks" when he asked for the name of the driver whose car had bumped into the back of his when he was driving Saturday when the body of Gen. James M. Wenkert, Cowanville, Que., was buried with military honors.

Burial was in the Soldiers' Plot at Beechmount cemetery.

## Province Ponders Anti-Coyote Poison

Montana Expert to Instruct Gov't Men In Use of 1080

Possibility of using the deadly poison, 1080, in warfare against coyotes in the province is under consideration by the Alberta government.

Officials of the department of lands and forests have requested the loan of an expert from the Montana government who will be asked to come to Alberta and instruct government men in the use of 1080.

The poison is highly lethal. It is deadly even when a small portion is dissolved in water. No antidote for the poison, a form of cyanide, has been discovered.

It can be used only by persons wearing rubber clothing and using gas masks. Areas where it is used must be at least a mile and a half from human habitation, and must be fenced and marked with warning signs.

**INTO CARCASS** The poison is injected into the carcass of a dead animal so that a coyote feeding on the body is affected by the poison.

Remains of the poison-loaded carcasses must be buried, and the soil on which they rested must be dug up and buried.

Government officials here said 1080 is being used successfully in Montana under the jurisdiction of the U.S. Fish and Wildlife Service in co-operation with state and county governments.

At present in Alberta the government is attempting to combat the coyote menace by sharing costs on a 75-25 per cent basis with municipal districts or farm associations who hire trained coyote hunters.

**SAME SHARING** The same sharing of costs is applied in cases where an airplane carrying trained hunters is used to track down the animals.

In addition, cyanide guns are being used in less habitated areas. The poison guns are set out by the government staff.

At present 38 men are employed in this capacity, and the staff is to be increased shortly.

**WANT TO MOVE Your Belongings at Night?** Complete Parcel and Light Delivery Service \$8 a m. daily.

**STARTS TO WORK IN 2 SECONDS! ASPIRIN RELIEVES PAIN AND COLDS FEEL BETTER FAST!**

**REMAINED** Brewer appeared in police court Saturday and was remanded until Nov. 27 for sentence.

Police said the accident occurred when Brewer, averring out to pass a bus on 95 street, hit a telephone pole and crashed into a car driven by Gerald Kamlin, 808-50 street.

Brewer was treated for cuts and bruises to the face at Royal Alexandra Hospital.

*A puzzle you can't solve alone*

• If you are looking ahead, you probably don't see all the answers to your problem of future financial security.

No wonder. Because to find them you must have life insurance—planned to meet your special needs with the help of a life underwriter.

He is used to solving problems like yours. He will show you, for instance, how to be sure there will be money enough to keep your family together in the home in case you die prematurely.

Or perhaps you're worried about the amount of income you'll need in later years when your earning power declines. If so, your life insurance man will help you work out a plan to meet that—or any other financial need of the future. And all of these plans will be fitted into a master plan which is within your means.

**A helpful citizen in your community** When you life insurance man sells you a policy, he also helps to improve your community. For a large part of each life insurance dollar is put to work through investments to build homes, schools, bridges, highways, industrial plants and many other projects that create jobs and make for better living.

You share in these improvements made possible through the efforts of your helpful fellow-citizen—the modern life underwriter!

## PEACE MAKERS GET \$15 FINES

Two men who testified they were trying to stop a street fight and then became involved themselves were each fined \$15 and costs for causing a disturbance Saturday night.

George Cordery and Charles Theroux, both of Edmonton, told court this morning that they saw a fight at 103 street and Jasper. When they tried to break it up, the two participants fled.

Police, drawn to the scene by a huge crowd watching and excited traffic, arrested both men. Both pleaded guilty to the charge.

Police, however, no fixed address, was sentenced to 30 days in Fort Saskatchewan when he pleaded guilty to a charge of vagrancy.

## Calder Yards Get New CN Workshop

Canadian National Railway today took out a city building permit for a \$450,000 workshop building in Calder yards.

Williams Brothers of Calgary are contractors for the 1420-foot, one-story structure.

The financial reports showed a marked improvement over last year's financial standing.

Nominations for the executive for the coming year were declared open yesterday and will remain open until Dec. 23. It was decided to hold the annual elections the last Sunday in January.

Members moved that the secretary send a letter of appreciation to Dr. J. Kimball of Edmonton, for his outstanding work at the scene of the disastrous train wreck last Tuesday.

Members agreed to cancel the December meeting as it would conflict with the Christmas holidays.

# 2nd Pats Battalion Sails for Korea

## Men Leave Seattle Amid Driving Rain

SEATTLE, Wash., Nov. 27.—(CP)—A sleek, gray-painted United States troop transport today is carrying Canada's 2nd Battalion of Princess Patricia's Light Infantry to the Far East.

From this rain-splashed port where the advance force of "Uncle Sam's United Nations contribution" sailed for Korea a month ago, the Pats embarked during the week end.

Rifles slung over their shoulders, the infantrymen marched up the gang plank of the United States navy ship Pvt. Joe P. Martinez.

The ship sailed under sealed orders. Military secrecy prohibited naming of the Far Eastern port.

But to the smiling, cheering men of Canada's 25th Brigade there was only one destination—Korea and the war against Communism.

A long stream of buses brought the men from Fort Lewis, Wash., the big United States army base.

**AMID RAIN**  
Felled by rain, the men were sobbed as they boarded the ship.

"They look like they mean business," said an American officer watching the embarkation.

But within an hour, their kits stowed, they were back on deck, taking the roll to watch departure preparations.

Whistling and cheering, they took a lively interest in the last-minute moves as their officers awaited the final "Aboard Ship."

For the veterans it was like the old days, for the younger battalion members—about 65 per cent of the total force—they heard the songs they knew as school boys.

**BANDS AND PIPES**  
The Royal 22nd Regimental Band and the U.S. 36th Army Band, Seattle port of embarkation, paraded alongside the transport.

There was also the skit of the "Three Cheers for The Red, White and Blue."

## War Games End in East

HALIFAX, Nov. 27.—(CP)—Aircraft from the aircraft carrier Magnificent broke through a tight defense to attack the RCAF base at Greenwood, N.S., and the naval airbase at nearby Shearwater before a mode invasion of Nova Scotia bases ended late Saturday.

A joint Navy-RCAF communiqué issued at the end of the largest peacetime exercise attempted by the two services said invading aircraft were surprised by Vampire jets when they attacked the Shearwater base.

The invading force included the carrier, the destroyers Mimosa and Huron and frigates Swans and La Houlte. Four-engine RCAF Lancaster bombers acted as spotters for the land force.

**MILLET, Nov. 27.**—Mrs. J. Redmond was honored at an afternoon tea recently in honor of Miss M. Frances, one of Millet's oldest residents.

The party was held at the Millet hotel, where Miss Frances resides.

**NORDEGG, Nov. 27.**—Constable K. Kennedy and family are moving to Bonnyville to take over post Const. P. Morris is replacing him in Nordegg.

As the ship headed into mid-stream, and disappeared over the waters of misty Puget Sound, the American band, to the final cheer from the Pats, played:

Three Cheers for The Red, White and Blue."

STORE HOURS: 9:30 a.m. to 5:30 p.m.

hats...

# **HEADS that guide careful feet and obey all traffic rules!**

Accidents don't just happen to motorists. They happen to pedestrians, too. Last year every second death in traffic accidents in Edmonton were pedestrians. Yes, 11 out of 22 fatal accidents were pedestrians who "walked themselves to death".

Pedestrians should remember that darkness increases the danger of accidents. More walkers are killed in the dark hours and in the dark months — especially during those hours of the day that are light part of the year and dark the rest. Also heading the list of dangerous pedestrian practices is crossing between intersections. Older people and youngsters usually have the highest death rate in pedestrian accidents.

The way for pedestrians to live longer is to obey the safety rules. Do not step from behind parked cars or

moving vehicles. Do not cross intersections on the amber light or rush traffic signals.

Your getting across the street safely means more to you than anyone else. You must take your share of the responsibility. When walking with older persons don't expect them to move as quickly as you do. Make sure the way is clear for them, too! Don't let them be stranded in the middle of the street. Remember the curb line is your danger line. Before crossing — LOOK BOTH WAYS.

Don't depend on the driver! He may not see you. He may be pre-occupied for a second. He may be blinded by the lights. You can't be too carefull. Play it safe. There's no satisfaction in being in the right if you're dead. Be careful EVERY week and live longer!

## Wetaskiwin Kinsmen Plan Xmas Tree Sale

WETASKIWIN, Nov. 27.—Wetaskiwin Kinsmen's second Christmas tree sale campaign gets underway Thursday with members of the club undertaking a house-to-house canvass to take orders for the trees.

Proceeds of the sale this year are to help sponsor the air cadet movement in Wetaskiwin and other worthy youth activities in the community.

Last year's sale of trees was a huge success and the club executive is hoping to do as well or better if possible again this year.

### CO-OPERATION ASKED

President Frank Hayer urges all Kinsmen members to report to their crew captains and be on hand for the canvass the night of the drive. The regular bi-weekly meeting held at the Grand Hotel was highlighted with talks given by three young members of the community, Ben Stanley on his experiences as an Air Cadet last summer spent in Gt. and Howard Olsen as a Sea Cadet at Camp in Halifax and Cornwall.

### Kent Fires

DARTFORD, Kent, England.—(CP)—A report on the Kent county fire-fighting squad operations showed that 1807 calls were answered to the last six months.

## NO CHARGE IN SHOOTING

BARRHEAD, Nov. 27.—Verdict of accidental death was reached at an inquest conducted in connection with the death of Percy Jackson, killed in the bush near Topland, when mistaken for a deer. Inquest at the Town Hall with Dr. W. H. Reid, coroner, presiding over the jury comprised of W. H. Graham, foreman, Tim Hoffman, Duke Ott, Ed. McFarquhar, Will Kelly and Carl Johnson. Witnesses were examined by Constable Neil Matson of the RCMP at Westlock. George Hosack of Edmonton admitted firing the fatal shot, but the jury, after considering the fact that distinctive clothing was not worn, returned a verdict of accidental death with no blame attached to anyone.

An admiral of the fleet in the British navy has the same rank as a field marshal in the army and a marshal of the air force.

10 EDMONTON BULLETIN, Monday, Nov. 27, 1950

## New Bawlf School Officially Opened

500 People See Ceremonies At Community School Opening

BAWLF, Nov. 27.—Bawlf Community School was officially opened Friday evening by M. L. Watt, director of curriculum, department of education, with more than 500 parents and students in attendance.

In opening the school, Mr. Watt complimented Bawlf on the new building and stated that the progressiveness of a community could be judged by the type of educational facilities available to the children.

The new building consists of six classrooms, home economics room and shop room.

F. McDonald, divisional trustee, was chairman of the ceremonies. Guest speakers included Dr. H. Breckenridge, M. P. for Camrose; Chester Sayers, M.L.A. for Camrose; J. Nawers, divisional board chairman; and H. Hovet, trustee of Camrose municipality.

### BAWLF MAYOR

N. Kviten, mayor of Bawlf, expressed the pleasure of the town in having the new building.

Mr. Kviten worked for the erection of the first school in Bawlf in 1909 and turned the sod the new school in 1950.

Mr. H. Brager, principal of Bawlf, brought a message of appreciation from the staff of 12 teachers. Joan Ratell, president of the students union spoke for the pupils.

HAIRDRESSER OF FUTURE A.A. Aldridge, guidance officer for the province, and former Bawlf principal from 1931 to 1940, said young people were the heritage of the future and it was a challenge to students to carry on and improve work of the present time.

Inspector C. H. Robinson spoke of the opening as a high light in the progressive educational plan of the Camrose division to give equal opportunity to both rural and town children. This community school serves 16 rural children and 66 from town.

In declaring the school open, Mr. Watt presented a picture of the Alberta parliament buildings as a gift of the department.

Members of the local Elks Club entertained their wives to a social evening recently. A few members of the Camrose lodge were present and lunch was served by lodge members.

ESTHER—Esther pioneer resident, Mrs. J. Parks was injured by flying glass recently when her car overturned in the ditch east of Esther.

She was taken to hospital in Owen where she received treatment for an injured leg.

HIGH PRIZE—Athletic association is holding their second annual semi formal ball at the Memorial Hall Friday.

Dance committee includes Dr. Merv Nablo, Dr. Leo Lyman, Ralph Lavin, Laurie Savill and Al Goshulak. Officers of the Association for this year are: president, Father H. M. Thomas; vice-president, Al Goshulak; secretary, treasurer, John McGowan.

CLIVE—School teachers at Clive have announced their plans for a Christmas concert at the school this year.

Thieves Shift To Clotheslines WETASKIWIN, Nov. 27.—Episodes of robberies broke out again in Wetaskiwin last week, but this time it was clothesline theft, not safe-cracking.

Mrs. Robert Emord reported the loss of several valuable items from her clothesline, which were stolen in daylight Friday.

This is the second time her clothesline has been robbed since she took up residence in Wetaskiwin.

HINES CREEK, Nov. 27.—At a special meeting of the various organizations of Hines Creek last week, ways of obtaining funds for the upkeep of the skating rink were discussed.

Hines Creek Elks Lodge will employ a caretaker for the rink which in the past has been managed by a group of boys.

## School Meets In Hines Crk.

HINES CREEK, Nov. 27.—At the annual meeting of the ratepayers of district four of Fairview School Division, held here Thursday W. E. Dean, supervisor for the division reported the division is operating 49 classrooms with a teaching staff of 41 teachers and eight corresponding teachers. The attendance at these rooms is 1,299 pupils.

M. Hovig, secretary treasurer, gave a report on the financial standing of the division.

A resolution was passed at the meeting asking the department of education to make grants to assist districts where rapidly increasing population put an excessive strain on the financial resources of the division.

E. Kobbert was elected trustee and will serve for the next three years.

Inspector C. H. Robinson spoke of the opening as a high light in the progressive educational plan of the Camrose division to give equal opportunity to both rural and town children. This community school serves 16 rural children and 66 from town.

In declaring the school open, Mr. Watt presented a picture of the Alberta parliament buildings as a gift of the department.

Members of the local Elks Club entertained their wives to a social evening recently. A few members of the Camrose lodge were present and lunch was served by lodge members.

ESTHER—Esther pioneer resident, Mrs. J. Parks was injured by flying glass recently when her car overturned in the ditch east of Esther.

She was taken to hospital in Owen where she received treatment for an injured leg.

HIGH PRIZE—Athletic association is holding their second annual semi formal ball at the Memorial Hall Friday.

Dance committee includes Dr. Merv Nablo, Dr. Leo Lyman, Ralph Lavin, Laurie Savill and Al Goshulak. Officers of the Association for this year are: president, Father H. M. Thomas; vice-president, Al Goshulak; secretary, treasurer, John McGowan.

## PROVINCIAL BRIEFS

## Area North of Nordegg Site for Oil Drilling

NARDEGG—Groundwork is being laid for the drilling of three oil wells at Chungo, 30 miles northwest of Nordegg.

DAVISLAND—More than 150 people gathered at the Legion Hall recently to honor Yvonne Zwack and Jerry Hauser, who are to be married soon.

Assisting the couple at the decorated table loaded with gifts was Lorraine Omo.

Members of the local Elks Club entertained their wives to a social evening recently. A few members of the Camrose lodge were present and lunch was served by lodge members.

ESTHER—Esther pioneer resident, Mrs. J. Parks was injured by flying glass recently when her car overturned in the ditch east of Esther.

Dance committee includes Dr. Merv Nablo, Dr. Leo Lyman, Ralph Lavin, Laurie Savill and Al Goshulak. Officers of the Association for this year are: president, Father H. M. Thomas; vice-president, Al Goshulak; secretary, treasurer, John McGowan.

CLIVE—School teachers at Clive have announced their plans for a Christmas concert at the school this year.

Thieves Shift To Clotheslines WETASKIWIN, Nov. 27.—Episodes of robberies broke out again in Wetaskiwin last week, but this time it was clothesline theft, not safe-cracking.

Mrs. Robert Emord reported the loss of several valuable items from her clothesline, which were stolen in daylight Friday.

This is the second time her clothesline has been robbed since she took up residence in Wetaskiwin.

HINES CREEK, Nov. 27.—At a special meeting of the various organizations of Hines Creek last week, ways of obtaining funds for the upkeep of the skating rink were discussed.

Hines Creek Elks Lodge will employ a caretaker for the rink which in the past has been managed by a group of boys.

## Jr. Red Cross Is Discussed

SEDFORD, Nov. 27.—Over 40 teachers from Sedford and other points travelled to Forestburg recently to attend the recent meeting of the Kilkam Inspectorate Education Club.

The meeting was devoted to a consideration of Junior Red Cross work in the classroom. Two teachers, Mrs. D. Chalmers, Sedford, and Sam Stewart, Forestburg, reported on the activities of JRC groups under their direction. Principal speaker was Mrs. E. MacDonald, JRC field organizer from Edmonton, who explained the aims, objectives, and activities of the organization, stressed the world-wide nature of its work, the educational value in the classroom.

Following the meeting lunch was served by Forestburg staff.

RINK DISCUSSED HINES CREEK, Nov. 27.—At a special meeting of the various organizations of Hines Creek last week, ways of obtaining funds for the upkeep of the skating rink were discussed.

Hines Creek Elks Lodge will employ a caretaker for the rink which in the past has been managed by a group of boys.

## on the TOWN...

By Jack DeLong

### Bombers Away—Off

Too bad Indian Jack Jacobs never learned how to throw passes under water.

Note to former Winnipeg people, who were sure about what I wrote at Winnipeg: I've always "hated" Toronto better than any other place.

I'm even sorry about the nasty things I said about the Osborne bandbox after reading about Varsity stadium at Toronto.

Guess I better congratulate Argos. When you tilt the Grey cup fellows, look out west and say: "Here's mud in your eyes."

Bumped into Jerry Mulcahy the other day. Jerry is visiting the old home town after an absence of several years in the U.S.A.

He served on Edmonton police force for six years where he distinguished himself by winning a foot race against a criminal in the South Side Park.

Jerry was recently elected sheriff of Whitman Co. city, Washington. He ran in a traditionally—solid Republican county as a Democrat and beat his opponent by 3,000 votes.

Jerry kept away from everything but law enforcement in his campaign.

His campaign for better traffic control and a real effort to cope with juvenile delinquency paid off in the ballot boxes.

Jerry is a brother to Jimmy Mulcahy also a former Edmonton policeman, who was one of the five duckhunters missing in an aircraft on a flight from Grande Prairie to Edmonton on Oct. 14 last.

Even son Brian has been hearing too much about bad accidents lately. Heard him telling another kid yesterday that Santa Claus hurt his hip coming down a chimney.

Mrs. V. D. Archer wants me to hand an orchid to a very special driver of the Kitchie district bus. Orchest was won on a cold night of last week when driver stopped for Mrs. Archer while heading toward turn-around, rather than have her shiver in the cold until he came back.

Mrs. Archer says a person appreciates this kind of thing because there is only a half-hour service on the line.

A comfortable goodnight to all and especially to the people who bet on Winnipeg Saturday.

## Tasteful Blend of Song, Music Heard at Recital

A tasteful blend of contemporary Parita No. 2 for Unaccompanied and classical vocal and violin recital was more effective in the works was presented by mezzo-soprano Diana Kehay and violinist Dvorak and Polkanin. The 2nd Dolly Kachuk Sunday afternoon at Museum of Art Music.

Special Movies For Leagues  
The Edmonton Federation of Community Leagues announces a special movie program for the community leagues this week.

Two comedies will be shown Monday at Central; Tuesday at Havelock; Wednesday at North Edmonton; Thursday at Forest Heights; Friday at McKernan; Saturday at Calder.

In classical vein, Miss Kachuk played Sarasade from Bach's

MOCCASIN DANCING in ballroom of Edmonton winter outdoors got its initial performance this season as Bonnie Doon community league staged gala dance of 1950-51 activities with opening of skating rink. Fancy skating program, huge dance of the moccasins, featured program. Executive of league has new community hall for coming year. Taking part in Saturday evening winter frolic were Doris Fraser, 9028-95 street; Ralph Pugh, 9035-92 street; Joan Bryant, 8911-94 street; Ken Fouts, 8914-85 avenue.

### POUR TEA TO RAISE FUNDS

WORLD SERVICE tea to raise funds for "Y" youth organization in other countries was staged at showroom of Campbell's Furniture Ltd., Saturday. Harold Fazarke, president of YMCA, was in attendance at annual function. Serving tea were S. H. McQuinn, president of the Communist Club; left: Oliver McIntyre, president of the Chamber of Commerce; Mrs. T. R. Davison, 10805-65 avenue.

## Full-Time Acting Mayor Recommended to Council

Edmonton will have a full-time acting mayor during Mayor Sid Parsons' leave of absence, if city council tonight accepts commissioners' recommendation.

Commissioners will suggest shuffling normal aldermanic terms as deputy mayor, to make Ald. Bill Hawerlak full-time acting mayor from Tuesday to Feb. 8 (the accepted 72-day term), and Ald. Harold Tanner for the next regular term.

That will put Ald. Hawerlak into the mayor's office on a full-time basis for bulk of the mayor's absence, and Ald. Tanner for the remaining three-week period.

Mayor Parsons was last week given a special three-month-plus leave of absence, to March 1, to enable him to go to Arizona for his health.

Both Ald. Hawerlak and Ald. Tanner are reported able to devote their full time to the job, the former because his business is in a slack season, and the latter because he can get necessary time off from his post as principal of University High School.

Six Die In Truck  
RIO DE JANEIRO, Nov. 27.—(Reuters).—Six persons died and more than 20 were severely injured when a truck full of pilgrims overturned near the town of Valancia in northern Brazil yesterday.

Slide Delays Power Plans  
CALGARY, Nov. 27.—(CP).—A landslide Saturday has delayed for several weeks the opening of the new Calgary Power Spray Lake power plant in the Rocky Mountains.

The plant was due to go into operation at the end of this month. The landslide wiped out a short section of the canal at the south end of Whiteman's Pass, just a few hours before water from Spray Lake was to be turned into the turbine for the preliminary run.

Company officials said the cause of the slide was due to an unpredictable movement of the subsurface deep under the canal foundation.

The slide occurred just at the time when 60,000 additional horsepower was needed to carry the increased winter load of the company's system.

Youth Injured In Hunt Mishap  
CALGARY, Nov. 27.—(CP).—Wayne Benson, 17, of Calgary, was seriously injured Saturday night in a hunting accident in the foothills, 60 miles west of Calgary.

The youth was hunting with a .300 rifle when he fired at a deer. The bullet struck the deer's chest and blew a large hole through the deer's stomach and left hand.

Teaching The Small Fry  
Play School Idea Spreads To 17 City Communities

By GARTH HOPKINS  
One of the finest aspects of child education and recreation within the city is being carried on quietly and effectively.

The play school, organized by the Recreation Commission in cooperation with the community leagues, is held for children between the ages of three and six and six years in every major community in the city.

The schools are held in 17 communities on the average of three days a week for two hours a day. The Recreation Commission provides the leadership and supply while the community leagues supply the building and voluntary assistance.

## Gilbert Is Calmed As Saved from Gallows

### COUNCIL AGENDA

#### Action On Mayorality Post Due

City council tonight:

1. Will act on commissioner's recommendation for a full-time acting mayor during Mayor Sid Parsons' absence.

2. Consider Burroughs Adding Machines Company complaint that a year-old order for \$10,000 worth of special billing machines was cancelled when construction was completed.

3. Will pass on to its finance committee a request for lease of Victoria Park property for an open air theatre.

4. Consider City Engineer J. D. A. Macdonald's recommendation that a contract for removal of abnormal snowfalls from city streets (over what can be removed by regular city equipment) be awarded as follows:

O.K. Construction Co., all areas north of the river; Mix Brothers Construction Co., all areas south of the river.

5. Consider commissioner's recommendation that Felix Fredrickson, 11343-47 street, be served notice that he must clear up allegedly dilapidated building at 11323, 11328 and 11328-47 street.

Gilbert was arrested Oct. 14, 1949, five days after the body of the dead Sam Kue was found strangled on the floor of his North Edmonton home.

Gilbert is a slender young man of only average height, but it took six detectives to subdue him when he was trapped at the CNR station that Friday night.

A few hours later, police also arrested Hung Hui Chai, 35-year-old city Chinese, in connection with the Kue slaying. On Nov. 2, at a police court preliminary hearing, the two were committed to Supreme Court for trial on the charge of murder.

Gilbert was found guilty by the Supreme Court July 19, 1950, and sentenced to hang Feb. 23, 1951, unless some verdict was returned against him several days later.

The execution was postponed to April 19 when the two appealed. In March 30, the Supreme Court Appellate Division ordered new trials.

More than 300 persons in Edmonton and "Thurhill" where Gilbert spent part of his boyhood, signed a petition urging the federal Justice Department to have his sentence commuted to life imprisonment.

On Oct. 18, after a stormy meeting of the Canadian Legion's Montgomery Branch passed a resolution also asking that the sentence be commuted.

As the date for his execution nears, city officials are worried that different groups in Edmonton into action on his behalf. A group of do-gooders recently asked money for his appeal with a dance in the Chalmers Community Hall.

## Transferred to Prison To Start Life Sentence

A happy Joseph Gilbert walked out of the death cell at Fort Saskatchewan jail Saturday after 13 months in solitary confinement and two trials on a charge of murder.

Just five days before he was to keep his much-postponed date with the hangman, Gilbert got the news that a federal government order-in-council had commuted his sentence to life imprisonment.

"But he took it fairly calmly just as he has all along."

"Today, Gilbert will be transferred to the main prison, the Alton, which will be the one-stop for 'Paolas, victims and victimizers'."

In tribute to the late George Buisson, Shaw, the University Drama Society will present an evening of Shavian plays, December 7, 8 and 9 in Convocation Hall.

Included in the evening's program will be "Androcles and the Lion" which relates the famous Aesop fable in terms applicable to modern society. Generally regarded as one of the best of the great plays, it is a story of human terms, the effects of Christianity upon civilization, and the power of the state.

As the curtain rises, "Androcles," there will be the one-act farce "Paolas, victims and victimizers."

Directors  
"Androcles and the Lion" is being directed by Elizabeth Stirling, Shaw, while the direction of the curtain raiser is in the hands of Doreen Spence, senior drama student at the campus. Ken McClelland, Hyman, Ken McClelland, and Ken McClelland.

These taking lead parts in "Androcles and the Lion" are: Look Taylor, Ted Kemp in the title role, Eleanor Meyer, Muriel Gilroy, Grant Mellick, Ralph Miller, and Ken McClelland.

It was for the reason that no hangman was available.

As the date for his execution nears, city officials are worried that different groups in Edmonton into action on his behalf. A group of do-gooders recently asked money for his appeal with a dance in the Chalmers Community Hall.

## SITE IS SOUGHT FOR OPEN AIR THEATRE

An open air theatre is planned for the eastern "low" area of Victoria Park—provided city council will lease a suitable site at the present government-owned site.

Lawyer J. H. Ogilvie, acting for E. O. Edwards, has asked city commissioners for a lease on a 300-foot square site at the foot of the hill between western and Victoria Park, just west of the northern end of High Level bridge.

The sponsors are prepared to incorporate "Edmonton Amphitheatre Limited," capitalized at \$200,000, and to issue 200,000 shares worth \$2 each, plus 1800 common shares of no par value, to operate the venture.

SEVEN SHOWS  
Seven summer weeks of operas, similar to those presented in Vancouver's "Theatre Under the Stars," would be staged, using local talent as far as possible.

City commissioners will recommend that tonight's city council meeting refer the whole matter to the finance committee for detailed study.

Sponsors ask that suitable site be leased.

Edmonton Butchers And Packers Supplies

• We have 300 meat choppers for your selection.

• Priced from \$5.50 to \$55.00.

• For Households, Farmers, Butchers and Locker Plants.

• Call to see list at 1072 Jasper.

Discussing common problem here are Harry Lobay, M.L.A. for far north constituency of Beaver River; Ora B. Moore, representative of central Ponoka riding, and J. C. Landeryou, M.L.A. for Lethbridge constituency.**

**HERE TO HEAR and discuss government's plans for next legislative session, M.L.A.s of government side of Alberta began two-day caucus at legislative building today. Earl M. Hardy, M.L.A. for Bruneau, N. A. Wilmore, M.L.A. for Edson, and Clayton Adams, Edmonton member, are among back-benchers attending.**

## Social Credit MLAs Open First Caucus Since April

Initial study of proposed legislation for the February session of the Alberta legislature began this morning as Social Credit MLAs met in caucus here.

The conference at the legislative building will continue through tomorrow.

MLAs today welcomed to caucus the new representative of the Oids constituency, Fred Windsor, who was elected in the constituency by-election Nov. 16.

Mr. Windsor succeeds the late Norman E. Cook, veteran Social Creditist who represented the Oids constituency from 1940 until his death this summer.

The caucus, first since April, is expected to discuss legislation which may be brought before the assembly in February.

Mr. Windsor, who was elected in the constituency by-election Nov. 16, is expected to discuss legislation which may be brought before the assembly in February.

Mr. Windsor, who was elected in the constituency by-election Nov. 16, is expected to discuss legislation which may be brought before the assembly in February.

## Oil Pipeline Leak Dumps 200 Barrels

The Inter-provincial Pipe Line Company disclosed today a leak in its oil pipeline from Edmonton to Superior, Wis., delayed pumping operations for two days and spilled 200 barrels of crude oil on a Minnesota farmer's field.

It was the first reported leak in the 1,200-mile line that will bring Alberta oil to eastern Canadian refineries starting next spring.

The leak occurred west of Clearbrook, Minn., about 180 miles from the Superior terminus where the oil is scheduled to arrive late Thursday.

Inter-Provincial said it occurred Friday from a three-and-one-half-inch split in a joint of the pipe.

A drop in pressure at the pump station at Regina signalled the alarm that something was wrong, and within five minutes of the split, the farmer whose field was being watered with oil reported it to the Clearbrook pipeline officials.

Inter-Provincial estimated only 200 barrels were lost before maintenance crews quickly repaired the line.

Pumping operations were resumed Sunday afternoon.

## Tenth Victim To Be Buried

Funeral for the unidentified 10th victim of the Leduc Holiday disaster, Nov. 11, will be held at 2 p.m. tomorrow from Haislock and Sons Ltd. funeral parlors.

He will be buried in Beechmont Cemetery, Rev. J. P. Berry will officiate.

Last rites for the unknown victim of the Leduc explosion and fire which took nine other lives, comes on the day the explosion opens into circumstances surrounding the booming oil town's major tragedy.

RCMP police said efforts to establish the identity of the dead man would continue after his burial and permanent record has been compiled of all available information.

Preserved are a cast containing the man's teeth and a plaster cast of his features as rebuilt by Dr. D. G. Ravel, former professor of anatomy at the University of Alberta.

Pathologists' report on the body and the fingerprints are also being kept on file.

## 8 Car Thefts In Week-End

City police again have issued a warning to motorists following a weekend flurry of eight car thefts from city streets.

"Do not leave your cars parked on city streets all night," police said.

Never leave parcels and valuables in parked cars.

Only one of the eight cars was recovered. Many of the thefts are by young vandals who use an unlocked car in a great temptation for a joyride.

City constables also reported nine house power premises left unlocked by negligent owners during the weekend.

## DVA Credits Top \$9 Millions In Edmonton Area

Edmonton office of the Department of Veterans Affairs disbursed total of \$2,975,727 in re-establishment credits during the month of November.

This was revealed in a report released by W. T. Cronin, DVA district administrator.

The November sum brought total disbursements to \$6,025,482 since the Edmonton office opened six years ago.

Applications totalled 365 during the month, with 348 applications for furniture alone, for a value of \$1,907.24.

## Sheep Herds On Decrease

Alberta's sheep population has dropped by 660,000 during the past five years.

The information is revealed in a statistical report compiled by the English, statistics branch of the Alberta department of agriculture.

In 1945 sheep population of the province was 675,000 compared to 114,000 this year.

Presently increasing prices of wool and mutton are expected to result in a general trend towards an increase in the number of sheep raised in the province, Mr. English's report stated.

### EATON'S, TUESDAY SHOPPING

EATON'S Toyland, Third Floor, Centre Aisle

## Greater Power Supply Delayed By Landslide

There will be a delay in planning in operation the new Calgary Power Spray Plant, which was to go on the line at the end of this month.

"This delay occurs at a most unfortunate time because of the pressing need for the additional 62,000 horse power capacity of the Spray Plant to carry the greatly increased winter load," said company officials.

R. B. Sherman, vice-president and general manager, stated that, with full voluntary cooperation of all consumers in reducing load over the short peak-load period from 4:30 to 6 p.m. each evening, general rationing of power may not be necessary.

This condition is only temporary and will be alleviated as soon as the Spray Plant goes on the line.

## LANDSLIDE

The delay is due to landslide damage to a short section of the canal at the south end of White man's pass. The slide happened Saturday, just a few hours before water from Spray Lake was to be turned into the turbine for the preliminary run.

Everything possible is being done by the company to rectify the damage quickly in order to get Spray Plant into operation with the least delay. Men, supplies and equipment are being rushed to the site and work has already started. The canal will be rerouted past the slide area to avoid the possibility of any further difficulty.

## Jehovah's Witnesses Get Life Sentences

BERLIN, Nov. 27 — (AP) — An East German court sentenced three German members of the Jehovah's Witnesses religious sect—outlawed in the Soviet zone—to life imprisonment as "spies for American imperialism." The East German newspaper ADN reported yesterday.

Lord Durham, governor of Canada in 1828, was the son-in-law of the provincial chief coroner, Dr. David Gray, who became famous for the British Reform Bill of 1832.

## Leduc Holiday Blast Probe Gets Underway Tomorrow

Leduc's Galety Theatre will be the setting tomorrow for a probe into the cause of the Remembrance Day disaster when 10 persons were killed and 16 hospitalized after an explosion and fire destroyed the Leduc Hotel.

Inquest into the major tragedy—worst of its kind in history of Western Canada—will be conducted by provincial chief coroner, Dr. David Gray, Edmonton.

Coroner Jury will begin listening to evidence of an estimated 30 witnesses in a courtroom expected to be jammed by counsel for parties involved in the accident's aftermath.

## Russians 'Liars' Claims Officer

MONTREAL, Nov. 27.—(CP)—Only immediate mobilization of all military, political, industrial and moral strength of the western nations and the realization of western diplomats that the Russians are "liars" will prevent another world war, Brig-Gen. Frank Howse, former director of the United States military government in Berlin, said in a speech here last night.
